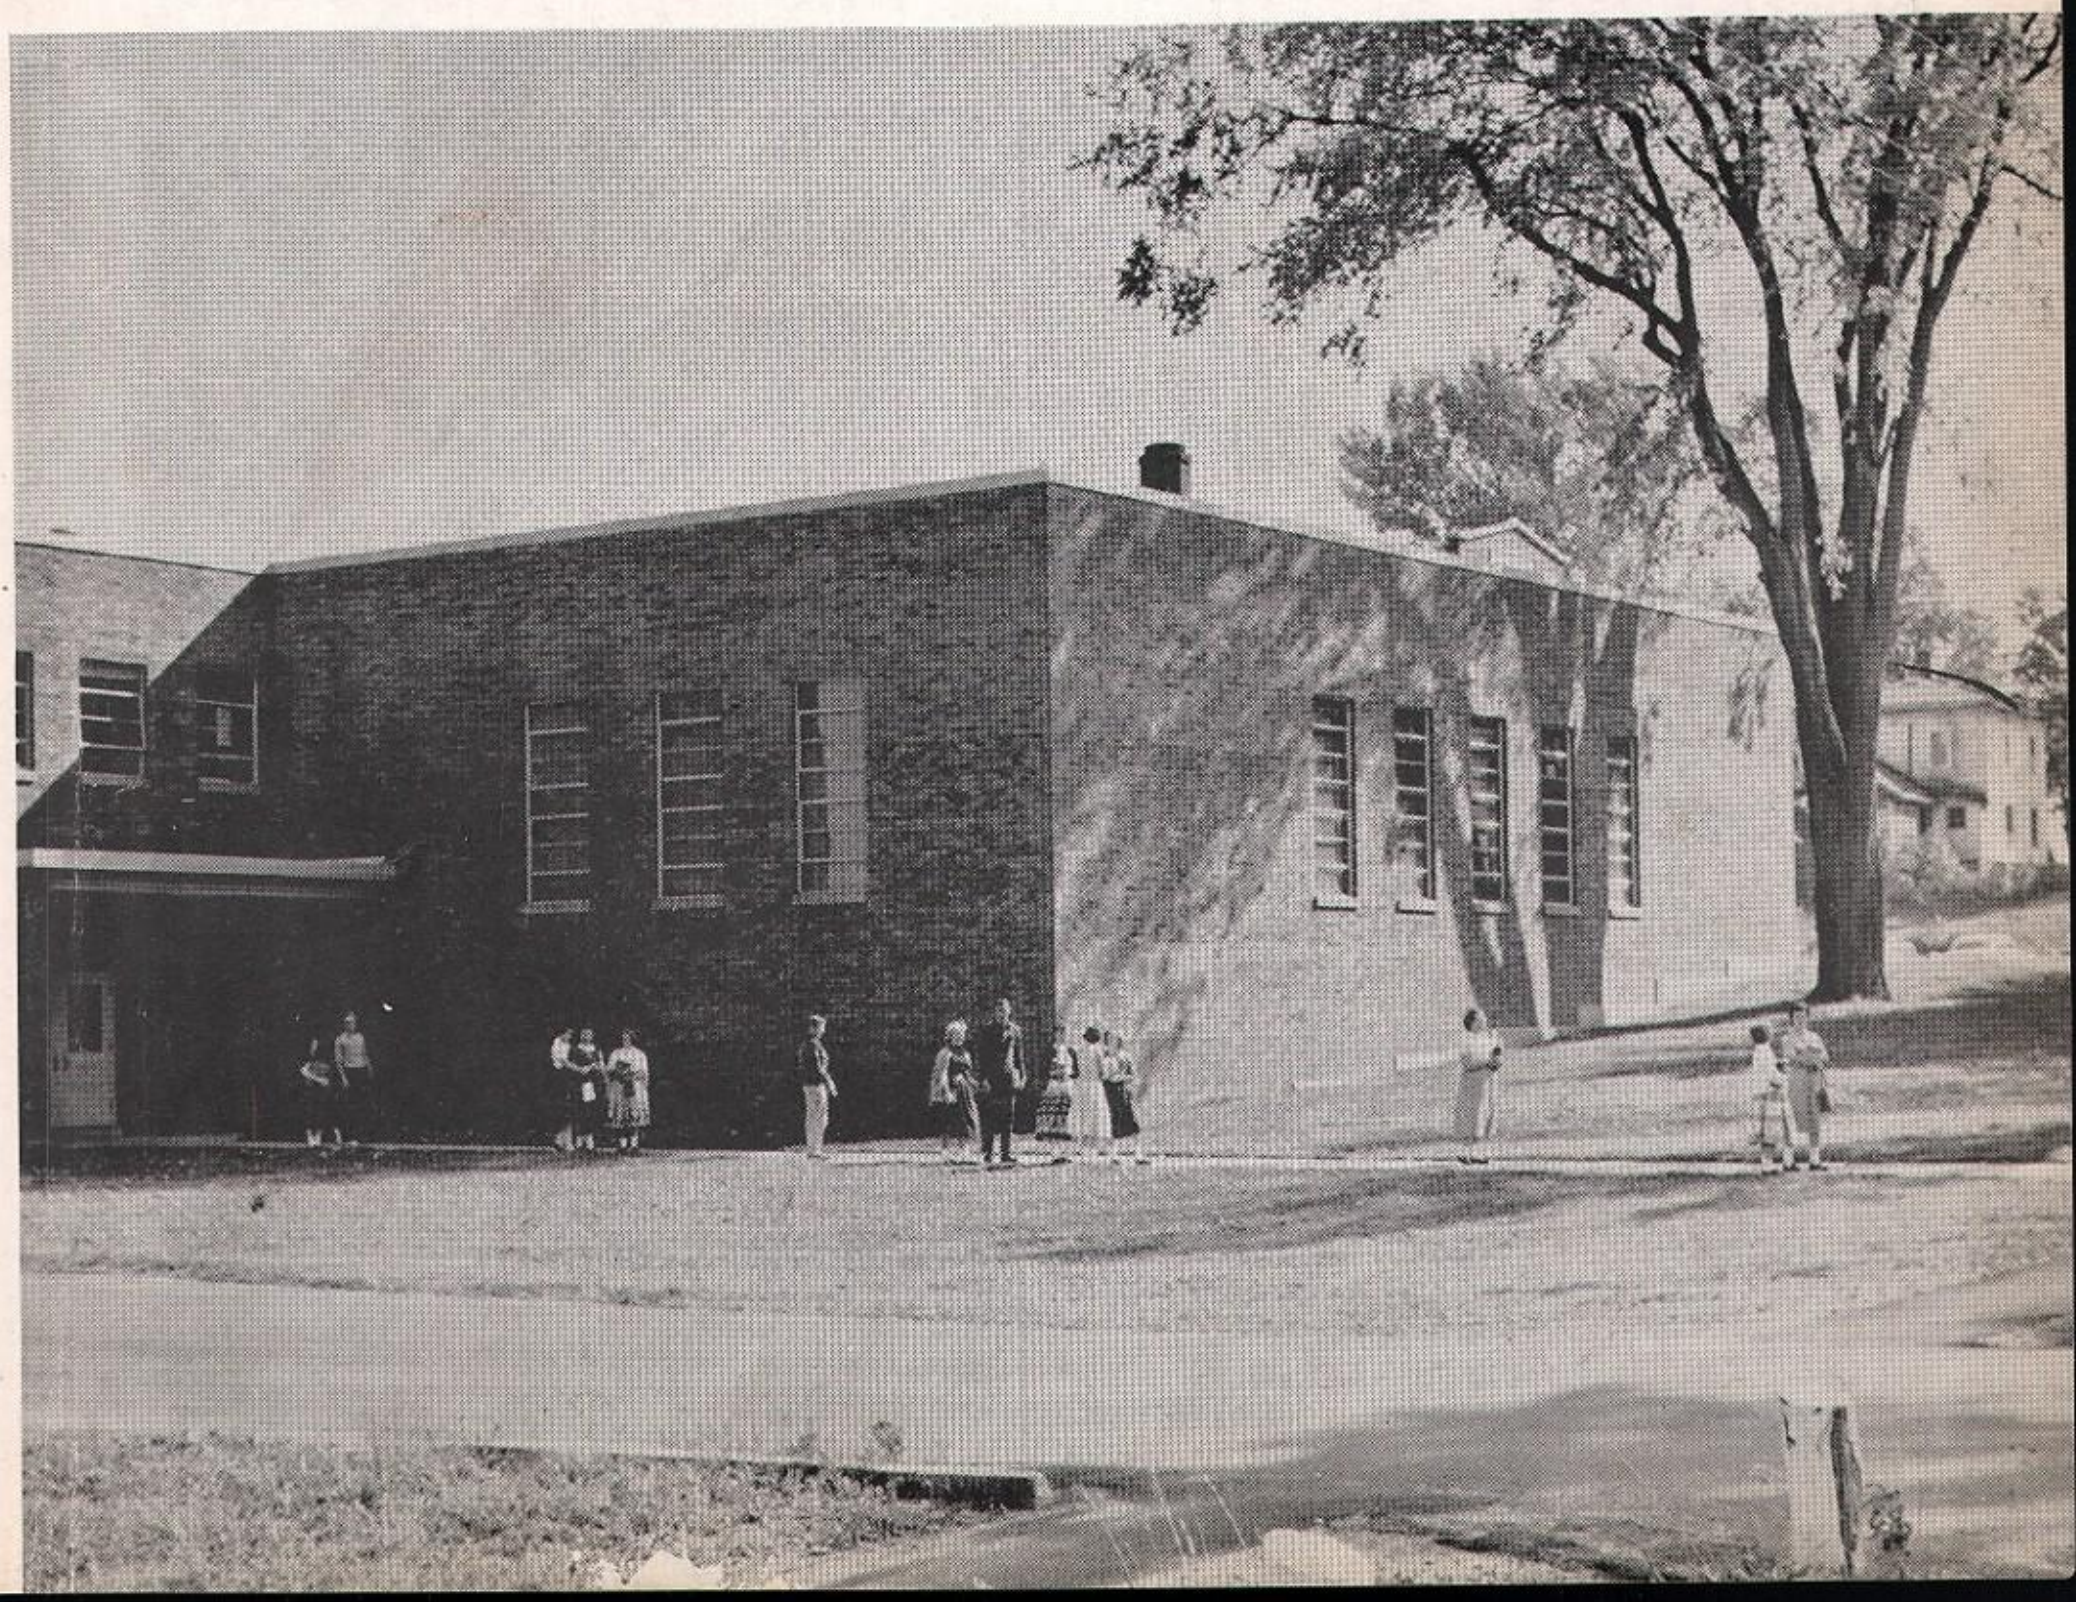
DEDICATION - MRS. GLADYS GARLOUGH

Bank teller . . . public address announcer . . . bookstore operator . . . mail clerk . . . messenger . . . switchboard operator . . . information clerk . . . stock clerk . . . principal's "right-hand man." So have been the jobs for fifteen years of our principal's secretary -- our Mrs. Personality -- Mrs. Gladys Garlough.

With a smile for everyone, Mrs. Garlough goes about her many, varied tasks with efficiency and "service, par excellence." Her acquaintance is especially remembered by all of our students, an accepted part of present high school life, and a pleasure yet unexperienced for future students. Her motto of "nothing is too difficult to try" should be remembered by everyone.

It is with warm affection and deep gratitude that we dedicate the 1959 PANORAMA to Mrs. Gladys Garlough.

ADMINISTRATION



SUPERVISING PRINCIPAL

To the class of 1959 I express congratulations for your many achievements throughout your four years.

In our ever changing society it is of paramount importance to have unity and progress. I am sure what you have learned in school will assist you in making your contribution and further in bridging the gap between formal education and your selected vocation.

Success to all.

HISTORY OF THE CLASS OF 1959

The present class of 1959 began its long journey in 1946. Of the twenty-five graduating students, eighteen began school in the Parishville - Hopkinton School District.

Nancy Nurney, Reginald Barrett, Heidi Foster, Anita Bump, Duane Smith, James Young, and Dean Wilson began in the Parishville School; Alden Durant, Jean Davis, and Barbara Greene began in the Cappell Street School; Patricia Wright, Shirley Conklin, Varick Chittenden, Janet Sochia, Ronald Baldwin, and Donald Baldwin began in the Hopkinton Schoo; Gary Snell and Paul Strader began at Parishville Center.

Connie Shatraw joined us in the second grade, Patrick Snell in the sixth grade, Philip Priest in the eighth grade, Beverly Raymo Wilson in the ninth grade, Richard Arquette in the tenth grade and Evelyn Hall joined us in our senior year making our class complete.

Members who have left our class since seventh grade are: Lila Frank, Ellen Peacock, David Converse, Sandra Stacy Dyke, David Russell, Barbara Smith, Lorraine Laggue, Judy Vilnave, Lorraine Tebo, Sandra Tebo, Louise Frank, Clorise Boulds, Shirley Clough, Dorothy Abel, Ronald Gilbert, Donald Butterfield, Larry Snickles, Dustin Perry, Elbridge Randall, Kenneth Planty, Gary Sampier, Rodney Holcomb, Garland Dishaw, Gilbert Kwasney, Ronald Peck, Thomas Flanagan, David Burnett, Dale Sochia, Donald Curry, Vincent LaClair, Fay Gribble, Lois Arquette, Mary Lazore, Virginia Brooks, Evelyn Hall, Laurel LaClair, David Cunningham, and Kenneth Smith.

Our class has participated in many varied activities. In the seventh grade we sold "School Daze" booklets and collected short pencils and sent them to needy foreign children. We published a seventh grade yearbook entitled "The Maroon Echo" with the assistance of Mr. Garbreana.

In the eighth grade we sold Parishville emblems. In June, our Eighth Grade Graduation was a big success under the leadership of Mrs. Flora Miller. Several girls wrote up our own graduation song to the tune of "School Days." We chose our class motto: "It's nice to be important, but it's more important to be nice." We selected our class colors - blue and white.

In the ninth grade we sponsored a "Snow Dance" in January. In the tenth grade we had two dances and put on an F.F.A. Banquet. In May we ordered our class rings.

In September of our Junior year there was a Student Council Campaign. Varick Chittenden came out as President over the Senior candidate. In October we received our class rings. We held two dances, sold all-occasion cards, and sponsored a big Junior Jamboree that was very successful. We helped the Senior Class with the Junior - Senior Prom.

The first Senior activity of 1958 was our magazine campaign. Patricia Wright sold the most magazines and won a trophy. We sponsored a banquet for the Sylvan Falls Club in October and have had several dances. We received our name cards and ordered graduation announcements. We have completed our New York Trip Plans and as the yearbook goes to press, we Seniors will be on our way to the big city!

STUDENT COUNCIL

After a most exciting and spectacular campaign of posters, speeches, hats and bows, the Conservatives won by a very close margin and as Confucius says: The Student Council began the year.

Some of its activities included the selling of savings stamps, movies for the students and the planning of the Halloween party.

As a judiciary body, the Student Council has the power to try minor cases of student infraction of rules of conduct on school busses and in the halls.

The Student Council held a contest for naming the school. The name selected was "Panthers." The winners of the contest were Pamela Campbell, Joseph Snell, and Evan Harper.

Included in this year's program is "Twerp Week" where the girls carry the boys' books, open doors for them etc. Any girls violating them will have to wear a twerp sign. Twerp week will end with a dance on a Friday night.

At football and basketball games P.H.C.S. pennants were sold.

"Moving Up Day" will wind up the year's activities.

After thirty weeks of work, Patricia Wright resigned the Student Council presidency. Norman Hoyt assumed her duties. Shirley Conklin was elected Vice-President by the Student Council members.

The Library Club is in existence to serve the student body by helping check and process books.

They assisted this year in processing 188 new books which the school purchased and 54 books which were gifts to the library. The Library Club also processes a large number of books which are borrowed through the Regional Library Service Center at Watertown.

Our club had the usual Valentine box and a Valentine treat following.

Everyone appreciates the many services of the Library Club and its members.

DANCING CLASS

A few of the Dancing Class.

The Harrington School of Dance started a fifteen week course of dancing early in the fall term.

The kindergarten through the sixth grade were taught tap dancing. There were 263 children enrolled under these lessons. The lessons were every Monday afternoon.

Social dancing was taught to 68 high school students. The basic steps of the waltz, foxtrot, charleston, and the tango were taught.

This course taught poise, grace, etiquette, and self-confidence as well as smooth graceful dancing.

FUTURE FARMERS OF AMERICA

Our Chapter, a group of local boys, is composed of greenhands who have had one year of Agriculture, and chapter farmers, with two years.

We participated in the judging contests at Gouverneur and Hammond fairs, also at the Canton A.T.I. judging meet.

We attended the chapter meeting farm and forum contests. The forum contests consisted of five boys serving on a panel to discuss the topic, "How Farm Accidents May Be Prevented?" The chapter meeting is a contest where the officers and four of the members hold a meeting using correct parliamentary procedure. Our group won first award in the chapter meeting and second place in the farm forum contest.

On March 2, the annual F.F.A. banquet was held with Mr. Stromberg as guest speaker. Slides concerning Japanese farm culture and economics were shown.

CHRISTMAS PAGEANT

At Christmas time our students vie with each other for the honor of being a member of the Christmas Pageant cast. This pageant, which is re-enacted each year by students representing all classes 7 - 12, is a pantomime version of the Christmas Story, accompanied by the band and chorus. After many weeks of preparation, practice, and coaching, the pageant is presented to the public just before school recesses for the Christmas vacation.
